

INCOME QUICKIES

Fiverr Profits

Fiverr is a great resource for making an income online because getting started involves little or no cost and it works for all skill levels from beginner to advanced. Product or eBook covers are a fantastic way to get started right away.

Example: Cover Design

Step 1 - Create a Fiverr Account

Create a Fiverr account, set up your profile, and a gig description.

Step 2 - Get 10 Positive Reviews on Fiverr

Become a Level 1 Seller on Fiverr to unlock gig extras.

Step 3 - Start Delivering Product & eBook Covers

Create an account with Pixel Studio FX and fulfill orders for buyers. Add upsells, give away freebies, and ask for positive feedback.

Step 1 - Create An Account On Fiverr

Fiverr is the world's largest marketplace for digital services. So, if you have a talent, you can share that talent with our buyer community and make money while you are at it. Whether you are a graphic designer,

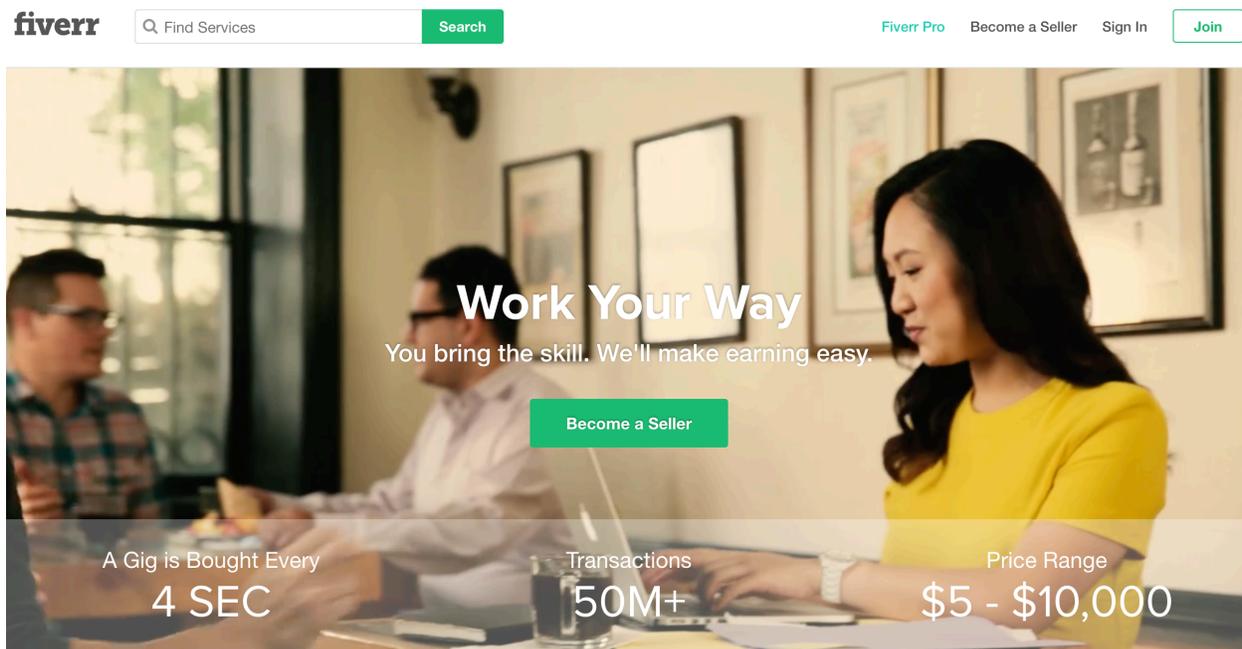

programmer, content writer, translator, or voice over artist, Fiverr has a place for you.

Creating Your Seller Profile

First, you will need to create your seller profile. Your profile is how you present yourself to the community. You are encouraged to present yourself in a professional manner.

Creating Your Gig

Your Gig is the service that you sell on Fiverr. Creating your Gig is an opportunity to show off your talent and provide buyers with all the information they need to help them decide to do business with you.

The image shows the top section of the Fiverr website. At the top left is the Fiverr logo. Next to it is a search bar with the text "Find Services" and a green "Search" button. On the right side of the header, there are links for "Fiverr Pro", "Become a Seller", "Sign In", and a green "Join" button. Below the header is a large banner image of three people working at a table. Overlaid on the banner is the text "Work Your Way" in a large white font, followed by "You bring the skill. We'll make earning easy." in a smaller white font. Below this text is a green "Become a Seller" button. At the bottom of the banner, there are three statistics: "A Gig is Bought Every 4 SEC", "Transactions 50M+", and "Price Range \$5 - \$10,000".

Step 2 - Get 10 Positive Reviews

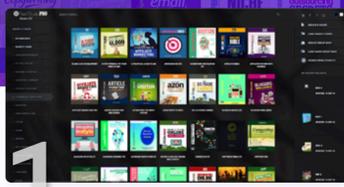

Get 10 positive reviews and you can become a Level 1 seller. Seller levels are intended to promote quality sellers and let buyers know how experienced a Fiverr seller is on the platform. Even though you might be a very experienced freelancer or entrepreneur offline, building up your seller level is important to making sure your experience translates to the Fiverr platform.

Step 3 - Deliver Graphic Design Work Using Software

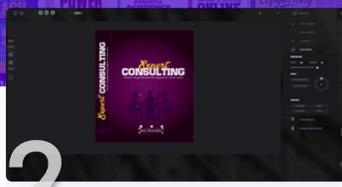

You can use graphic design software like Pixel FX to design beautiful looking ebook and product covers that look like they were done by a professional.

**Create eCovers That Get Attention
So You Get Results**

Fiverr offers a large variety of gigs to buyers, not just limited to graphic design. You will be competing with other sellers, so it is important to have a solid profile and positive reviews. To start, focus on one type of gig, like product covers, to build up customers and reviews. After you have built up some experience, you can expand into more gigs, as your skill level increases.

To set yourself apart from other sellers, there are a few important steps to take. Be sure to create a solid profile, showcasing your skills and any previous work. Add upsell options to your gigs, give away freebies to your customers, and always ask for positive feedback. In short, always go the extra mile!
